

COVID-19 Testing Sites in Lewis County – Information accurate as of October 27, 2020

- Most primary care physicians can now do testing. People looking for testing should call their own doctor first.
- If that is not an option, there are currently 10 testing locations in Lewis County.
- Call a testing site to see which type(s) of tests it can perform.
- **Not all are open to the general public.** Check the Testing Details column below before going to any testing site.
